

Sister Soldier Project  
~~Project Sisterhood~~ -oops

Thank you! The care packages  
and hair care products you were able  
to send me were a life saver. Being low  
on supplies I had to turn to your  
organization because the local PX/BX  
was out of everything and all their  
shipments had been delayed. I was  
able to share many of the items I  
did not need w/ others who could  
use them, so from all of us.

THANKS!
